Richard

Would you be so kind and send me a copy of the consent judgment with your signatures before filing, for my records. Please confirm interrogatories and documents not needed.

Thanks

Doug

Will do. I am just waiting first to receive the rest of the signed papers from you -- settlement agreement, federal trademark withdrawal and Secretary of State letters. I assume that is coming?

In the interim, you can hold off on responding to the interrogatories and document requests on the assumption that this matter is in the process of being resolved.
Thanks.
